ATLANTA, Sept. 29, 2016 /PRNewswire/ -- **Microsoft** today at its annual Microsoft Ignite conference awarded **Nintex**, the leader in workflow and content automation (WCA), with two 2016 Microsoft Office App Awards including:

- **"Most Business Value for a SharePoint Add-in"** for **Nintex Workflow for Office 365**, <http://www.nintex.com/workflow-platform/nintex-workflow/workflow-for-office-365>
- **"Best User Interface for a SharePoint Add-in"** for **Nintex Forms for Office 365**, <http://www.nintex.com/workflow-platform/nintex-forms/forms-for-office-365>

Last year Microsoft awarded Nintex with the **2015 Microsoft Office and SharePoint Application Development Partner of the Year Award**. Nintex was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology. Microsoft also honored Nintex with several Office App Awards in 2015 during the Microsoft Worldwide Partner Conference (WPC) in Orlando. Nintex claimed the "People's Choice" top honor for Overall Developer and first place for "Most Launched SharePoint Add-in" and "Most Business Value SharePoint Add-in" for Nintex Workflow for Office 365.
