

# Nintex Announces 6th Annual Partner Awards

## Nominations Open in Four Solution Innovation Categories - Process Automation, Mobile and Apps, Process Intelligence, and Document Generation - through May 26

BELLEVUE, Wash., April 13, 2017 /PRNewswire/ -- Nintex today announced that the online nomination process is now open for the **6<sup>th</sup> Annual Nintex Partner Awards**. These awards recognize the valuable contributions channel partners have made in helping organizations of all sizes, in every industry, improve the automation of business processes with Nintex technology.

The nomination form is available via the Nintex Partner Portal at <https://partner.nintex.com/company/Pages/Solution-Innovation-Awards.aspx> (log-in is required).

Nintex partners have the opportunity to submit nominations in four solution innovation categories, with Nintex also recognizing partners in four performance driven categories. Winners will be selected from each region (Americas, APAC and EMEA).

**Solution Innovation Categories** recognize Nintex partners with:

- Document Generation – success and ROI with Nintex document generation capabilities
- Mobile and Apps – impactful use of Nintex technology for mobile apps in the field or wherever business takes them
- Process Automation – proven success implementing the breadth of the Nintex Workflow platform
- Process Intelligence – effective use of process portfolio analytics leveraging Nintex Hawkeye™

**Performance Driven Categories** recognize Nintex partners:

- Business Acceleration – new recurring business
- Business Excellence – driving strong revenue growth
- Customer Success – for driving more active usage of the entire Nintex Workflow platform
- Regional Spotlight – identified as top partners by Nintex regional leadership

Nominations will be accepted through Friday, May 26, 2017. Nintex will announce the finalists on Wednesday, June 28 with award winners to be celebrated during the Nintex Partner Appreciation Party on Monday, July 10 at the 2017 Microsoft Inspire Conference, <https://www.nintex.com/inspire>, in Washington, D.C.
