

Nintex Announces 2020 Partner Award Program Finalists

Top partners highlighted for improving the way people work with the Nintex Process Platform

BELLEVUE, Wash., June 24, 2020 [/PRNewswire/](#) -- Nintex, the global standard for process management and automation, today announced finalists of the 2020 Nintex Partner Awards across three regions - AMER, APAC and EMEA.

The Nintex Partner Awards recognize partners that consistently accelerate business outcomes and results for organizations across industries by leveraging the breadth and depth of the Nintex Process Platform to accelerate digital transformation and worker productivity.

"Our partners deliver best-in-class process management and automation solutions to help organizations across every industry accelerate digital transformation," said **Joe Peterson, Nintex Vice President Channel Sales and Strategy**. "We are honored to recognize partner finalists in the 2020 Nintex Partner Awards program who are all delivering high impact results for private and public sector organizations across the globe."

The 2020 Nintex Partner Awards include six categories: business acceleration, business continuity, business excellence, business transformation, customer success, and regional spotlight. Business continuity is new to the 2020 program and recognizes partners that have helped customer organizations successfully navigate workplace and workforce changes with automation and improved business processes due to the COVID-19 pandemic. Three partners will be recognized in the business continuity category along with the complete list of 2020 Nintex Partner Award winners on Tuesday, July 14.

Earlier this month, Nintex announced the three winners of the business transformation category including **Pacific BPA, System RKK, and Synergi**. This category recognizes Nintex Partners for having the top customer entries in the 2020 Nintex Solution Innovation Awards program.
