"Every 2020 Nintex Partner Award winner has incredible expertise with the Nintex platform to improve the way people work," said **Nintex Chief Executive Officer, Eric Johnson**. "This year's award-winning group of channel partners has an unwavering commitment to help companies more quickly go-digital even in the most challenging of times."

Every year the Nintex Partner Awards celebrate the top channel partners who help government agencies and commercial enterprises across every major industry like financial services, healthcare, life sciences, manufacturing, and many more achieve high impact business results through improvements in process management and automation.

The 2020 winners consist of an elite group of Nintex partners who are digitally transforming the way people work with Nintex solutions that include: Nintex Promapp® for process mapping; robotic process automation (RPA) with Nintex RPA; digital forms, mobile apps, and workflow automation, with Nintex Forms, Nintex Mobile Apps, and Nintex Workflow; document automation with Nintex Drawloop DocGen®; and e-Signatures with Nintex Sign™ powered by Adobe Sign.

2020 Nintex Partner Award Winners

This year's Nintex Partner Award program features six categories including a new one for business continuity to recognize partners that have helped customer organizations successfully navigate workplace and workforce changes with automation and improved business processes due to the COVID-19 pandemic.
